

ShadowChase Running Club
P.O .Box 3605
Modesto Ca. 95352

October, 2011

Dear Race Organizers,

Thank you for considering ShadowChase Running Club for your race needs. Beginning January 2012 we will have the following services to offer.

Computer timing \$3.00 per runner
Chip timing \$4.00 per runner
(Races with 400+ pre-registered runners may require chip timing)

If you purchase our timing services: **We will require the minimum of \$300.00 as your deposit to reserve your date.** We will assist you in race day registration and race day packet pick up. ShadowChase will set up the finish line and clock, time the runners as they come across the finish line, and provide a computerized print out of all age group winners, and overall winners and their times. We will post results on the clubs website www.shadowchase.org .

In order for ShadowChase to time your event and provide the computerized results printout you must provide the club with an MS Excel spreadsheet 3 days in advance. The spreadsheet should contain bib number, NO duplicate numbers for any runners. If running more than one race they must be assigned a different number for each race. Last name, First name, age, gender, email and specify race they will be running (if there is more than one race). In designing your race fliers please ask on the flier if participant is a ShadowChase member. For posting in our newsletters and Grand Prix series.

Contact: Heidi Ryan for MS Excel template.

The following services are also available:

- Chalk existing course /\$50
- Supply course monitors/water stop personnel /\$10 per person (Race director needs to approve with ShadowChase your course monitor plan for safety of runners. If not adequately monitored we will supply needed personnel for the fees listed.
- Personnel for day before pre-race packet pickup /\$200 min.
- Use of ShadowChase Running Club insurance /\$100
(Need one month advance notice) (ShadowChase managed events only)
- Banking services /\$300

Equipment rental only
(\$200 deposit required)

Fees:

\$200 for clock rental

\$50 for other race course equipment ex: flagging, delineators, finish boards, etc.
